

Tired of that glazed-over look from too much screen time?

**Ready to make some new friends and amaze your parents with your brain power?**

Join Chess Wizards this school year for challenging chess lessons, exciting tournaments, fun team activities, and more!

If you're brand new to the game, we'll teach you the basics and get you playing with the big kids in no time. If you're a seasoned checkmate artist, we'll show you new ways to let your creativity loose on and off the chess board.

**Chess Wizards** is one of the largest chess academies in the nation. Every year since 2002, our interactive, discovery-based curriculum inspires thousands of students and parents to challenge themselves through the Game of Kings (and Queens!). More than just a game of winning and losing, we challenge our students to think ahead, visualize their goals, treat others with respect, and learn from their mistakes. Studies have shown that chess enhances cognitive development, improves scholastic performance and boosts confidence... plus it's a game kids can enjoy their whole lives!

**LET YOUR CHILD BE PART OF THE FUN AND JOIN THE CHESS WIZARDS COMMUNITY TODAY!**

Chess Wizards has an exclusive partnership with [ChessKid.com](http://ChessKid.com) a safe and secure online chess server designed just for kids. Students can play each other across the country, do chess puzzles, participate in online tournaments, and more! All content is parent-controlled. If you'd like to purchase a full-access year long Gold membership for \$25.00 (a 50% discount) please add the fee to your total, and include your email address so we can send you all the information you need to get started!
